Oasis Academies exist to provide a rich and balanced educational environment which caters for the whole person academically, vocationally, socially, morally, spiritually, physically, emotionally and environmentally.

Our task is to serve our students as well as to provide a learning hub for the entire community. In this way we will raise aspirations, unlock potential and work to achieve excellence through encouraging a 'can do' culture which nurtures confident and competent people.

**Welcome to Oasis Wintringham: Leisure Club, we are very excited about our new venue.**

We have 2 Sports Halls, which host 4 Badminton courts, Basketball courts, Football or 4 Cricket Nets. Our Fitness Suite is fully equipped to allow you to track your progress with each piece of equipment being connected to a screen to allow you to monitor your performance. Our Dance studio is home to a range of Group Exercise Classes.

We host a wide variety of activities that are open to the whole community. All courts are available to be booked on a weekly basis. We also accommodate sporting courses for children ranging from trampolining, multi-sports and indoor rowing.

If you would like more information on any of our facilities available please feel free to contact me.
