

FREEDOM TICKET FOR LIFE

Human trafficking is to be recruited, deceived or forced into exploitation. It is to work as a slave somewhere like a **factory, farm, private house or brothel**

80% of victims are female

In some parts of the world girls have less access to education and vocational training than boys. This means they have less opportunity for well paid, legitimate work when they are older.

The fewer and narrower a girl's options, the more vulnerable she is to trafficking, it's as simple as that.

Freedom Ticket for Life will help vulnerable girls across the world get an education or training until employment, either in their home town or through safe migration.

HOW?

STOP THE TRAFFIK have carefully selected projects to help keep girls safe. **All you have to do is run, walk, jog, crawl, hobble or race around on wheels and support them!**

Everything you could possibly need to take part is available from www.stopthetraffik.org/freedomticket.

Together we can give girls options and a chance to support themselves so they don't fall prey to the lies of traffickers.
