

THE GENERAL EQUALITY DUTY STATEMENT & PLAN 2023/24

Oasis Academy Wintringham is pleased to publish its annual single equality plan. In developing this plan, we have been able to identify and record the progress we have made towards achieving equality and tackling discrimination to come to a better understanding of the challenges still to be addressed. We will ensure that this single equality plan is effectively implemented and scrutinised so that we meet the obligations placed upon us by the equality duty. Promoting the priorities identified within our single equality plan will be a continuous process. It will be taken in partnership with the Academy community. The three aims of the general equality duty are as follows:

1. To eliminate unlawful discrimination, harassment and victimisation, by tackling prejudice and promoting understanding.
2. To advance equality of opportunity between people who share a protected characteristic and those who do not by:

Removing or minimising disadvantage suffered by people due to their protected characteristic.

Take steps to meet the needs of people with certain protected characteristics where these are different to the needs of other people, including taking steps to take account of disabled people's disabilities.

Encourage people with certain protected characteristics to participate in public life or in other activities where their proportion is disproportionately low.

3. Foster good relationships between people who share a protected characteristic and those who do not.

Compliance with the general equality duty may involve treating some people more favourably than others. The 9 protected characteristics are as follows: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The staff of Oasis Academy Wintringham understand that compliance with the general equality duty is a legal obligation that will better inform decision making and policy development. They further recognise that achieving the three aims stated will ensure that Oasis Academy Wintringham can successfully meet the needs of our diverse population of students, draw on the talents of a diverse local community to ensure our staff and Academy council members better represent the wider community that we serve.

Oasis Academy Wintringham has considered how well we currently achieve the aims of this duty about the protected equality groups. Using information that we have gathered we have decided upon our equality objectives. Our plans to meet these objectives will be monitored annually.

In compiling equality information, we have:

Reviewed the academy's equality data, policies and practice and identified any gaps.
