

Art and Design GCSE Fine Art: Natural World

1. Artistic Influences	
How to approach your influences. Focus on the art rather than the artist	
Content: Write about what you see in the picture you have chosen. Describe the image.	
Formal Elements: Write about the style of the image, comment on the colours, the line work, the level of detail, tones, composition, lighting.	
Mood: Write about the mood the artist is trying to convey, is it happy, angry, sad, calm, aggressive?	
Opinion: Do you like the image or parts of the image? Why did you choose the image? Try to explain your thoughts.	

2. Reflections and Improvements: Things to consider		3. Intentions and the creation of a Personal Response	
Paul Jackson Lauren Marx	Write about the materials and resources you have used in your work. How you have experimented with a range of processes.	What materials and techniques do you intend to explore? Think about your strengths.	
Peony Yip Anan Santos	Write about the techniques you have used to create your work? Explain how you have refined your work.	How do you intend to explore Surrealism? This is a big area and there are many ways you could develop your project so focus on a theme and explain it.	
Jen Mann Flora Borsi	Write about your influences. Analyse why you have focused on one artist (or artists). Try to show a cultural understanding by making connections to other artists.	Which artists will influence you and why have you made these choices? Remember you don't have to use the artists that we look at in class you can find your own images.	
Elly Smallwood	Consider the strengths of your work and why these pieces of work have been successful.	Consider how and when you are going to gather primary sources. These can be photographs that you have taken or observational studies.	
Vincent Van Gogh	Consider areas of improvement. What is still to be done? How will you know that you have been successful? How will you extend your ideas and intentions?	Organisation: Try to consider how all of this will be achieved and the various stages of your work that you will need to create, showing that you can develop, explore, record and create a personal response.	
Claude Monet			
David Mensing			

Key words that you will need to use to show understanding

Word	Meaning
Natural World: <ul style="list-style-type: none"> Animals Portraits Plants Landscapes 	Nature is anything that is not man-made.
Personal Response: This is worth 25% of your overall mark.	Your ideas, your creative process in response to the starting point of Surrealism.
Composition: We use this to develop all of our work and comment on the work of others.	The layout of the page. Deciding where things go.
Intentions: This could be done through notes or mind maps.	What you plan to do. Explaining your ideas
Cultural understanding: Try to connect artists by recognising similarities between them. Is the style the similar? Is the content similar?	This is when you show an awareness of why a piece of art work was created. How it reflected the period, the society and the artistic movement it may have belonged to.
Content: You will need to write about the content of artist's work and the content of your own work.	What is in the picture/art work? What can you see? Are there any hidden messages?
