

The first few slides
are if you haven't
already got a
Memrise account.

If you have, go to slide 6.

Memrise

1. Copy and Paste this link in to Google Chrome or Internet Explorer or click 'slide show' on here and then just click on the link.

<https://www.memrise.com/bienvenue>

Memrise

2. You should end up on a screen that looks like this:

Choose your language Choose your level Create your account Start learning

I speak **ENGLISH** and want to learn...

French **Spanish (Spain)** **German** **Arabic**

Double click on French.

Memrise

3. Double click *start from the beginning*.

**I'm a beginner, teach me from
scratch**

Start from the beginning

Memrise

6. You should end up on a screen that looks like this:

The screenshot displays the Memrise interface for a lesson. At the top, there are five numbered cards (1-5) with a Wi-Fi icon. Below them is a header for 'Level 3' and 'Module 2 - Quel âge as-tu?'. A progress bar is visible. On the left, there is a potted plant icon. On the right, a green button labeled 'Learn these words' is highlighted with a red border. Below the main content, there are two rows of module cards. The first row contains five cards with titles: 'Module 5 - Ma salle de classe', 'Module 6 - J'adore le judo 1', 'Module 7 - Les goûts et les couleurs 1', 'Module 7 - Les goûts et les couleurs 2', and 'Module 8 - Tu as un animal? 1'. The second row contains five cards with titles: 'Module 8 - Tu as un animal? 2', 'Module 8 - Tu as un animal? 3', 'Module 9 - Ma grand-mère est une', 'Module 9 - Ma grand-mère est une', and 'Module 10 - J'habite dans un château!'. Each card in the second row has a 'Ready to learn' button and a potted plant icon.

Click on any module to start playing.

If anyone has an issue with making an account they can use this one. It should log in numerous times. The password is Grimsby1
