

Hospitality and Catering	WJEC
Information and support.	<p>Year 11 students are in the process of completing their internal assessment for Hospitality and Catering. This will be completed before the Easter break and submitted to the exam board. The external exam was completed at the end of Y10.</p> <p>They will be looking at the many aspects of the Hospitality industry during virtual sessions about local businesses such as Healing Manor and Papa's. They have used the real world experiences from the sessions to apply their understanding in examination style questions.</p> <p>Ask your son/daughter how their Hospitality & Catering internal assessment is going and if there are any areas that they are finding difficult.</p> <p>Further support will be offered during a Tuesday lunch, please encourage your child to attend.</p>

Engineering	WJEC
Information and support.	<p>During Yr11 students will be completing their internal assessments. Unit 1 – Engineering design & Unit 2 – Producing Engineering products. At the end of Y10, students have completed the Unit 3 Exam – Solving Engineering Problems.</p> <p>Students are provided with a portfolio guidance sheet. This list is the minimum that they are expected to complete in the internal assessments. It is not exhaustive and students can choose to add other relevant information at any stage.</p> <p>Internal assessment support sessions are available during Tuesday and Friday lunchtimes. There will also be a session over Easter to finalise the Unit 1 & 2 submissions. Unit 1 & 2 will be complete before the Easter break.</p>
