30 September 2019

Dear Parent/Guardian

You are cordially invited to attend the first of our Y11 GCSE Parental Advice and Guidance evenings from 6.00pm to 7.30pm on Tuesday 8<sup>th</sup> October 2019.

This event will focus on how you can support your son/daughter during Year 11 and make the most of the opportunities that will be available to them. It will also provide you with an overview of what to expect as the year progresses.

Practical advice will be given, as well as mock exam preparation guidance and revision strategies. There will also be information on relaxation techniques and managing stress throughout the examination series. I will be giving a short presentation, as will the leaders of English, Mathematics and Science in the Academy main hall. Afterwards, subject leaders from all other areas of the curriculum will be in attendance to offer specific subject information in the dining area. There will also be the opportunity to ensure that students can access GCSEPod online, as well as information being shared on intervention and holiday revision sessions. We will also be sharing information about the Prom – an exciting event for students to look forward to at the end of their school career.

Please indicate on the reply slip below if you will be attending. I very much hope you can join us to help maximise this important year and the time that Y11 have left at Oasis Academy Wintringham and ensure that they all reach their potential.

Yours sincerely
