

December 2020

Dear parents and carers,

### **Christmas holidays and the return to school**

I hope you and your family are well and will be able to enjoy some time off together during the Christmas holiday. I am writing to you regarding arrangements over the break.

#### Final day of term – Thursday 17<sup>th</sup> December

The Department for Education has announced that schools are permitted to close on Friday 18<sup>th</sup> December for an INSET day. They want to maximise the time between the end of term and Christmas Day so that if children develop symptoms before the 25<sup>th</sup>, they can isolate prior to mixing with family members from outside their household.

Following consultation with Local Authorities and the DfE, Oasis Community Learning has decided to close all Oasis academies on Friday 18<sup>th</sup>. We do understand this will inconvenience some parents, while others have requested this. The key factor in this decision was what is best for the wellbeing of all our academy community.

Therefore, our last day of term will now be Thursday 17<sup>th</sup> December and we will finish at our usual times. This day will be an own clothes day for the students.

You can read the latest guidance about Christmas gatherings by searching for “gov.uk Christmas bubble” or by accessing this webpage:

#### Reporting COVID-19 over the Christmas holidays

COVID-19 exists in our wider community and therefore it is important to be especially aware of how your child is and whether they have symptoms of COVID-19. The most common symptoms of COVID-19 are a recent:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

#### Starting the new term

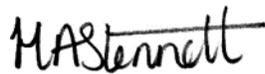

If your child has symptoms, is unwell, or it has been confirmed that they have COVID-19, it is very important that they do not return to school until they have been tested and if necessary self-isolated. Please contact us before bringing your child to school, and we can advise you.

If your child is well and is not required to isolate at home, they are to return to school on Tuesday 5<sup>th</sup> January 2021.

In the new year we will continue with all our precautions (class bubbles, social distancing, face coverings and visors, additional handwashing, staggered start and finish times etc) so that we can open safely. We can only do this however if every family follows this advice and is extra vigilant of their child's health. Please only bring your child to school if they are well, have no symptoms and have not tested positive for COVID-19.

Sincere thanks from me and the whole staff team for your support over this term. As expected, it has been challenging but the children's determination to learn has been excellent.

Yours sincerely,

Ms H Stennett
