

Dear parent,

#### An update on the EdenRed Free School Meal Voucher System

We informed you on Friday that the government have reintroduced the free school meal voucher scheme with EdenRed. Whilst we feel that this is a positive move forward and is one that we were campaigning for, many of us will remember the challenges that this presented last time when it was launched and it is out of the Academy hands. Due to every school in the country now accessing this system, we are expecting delays with the issuing of the vouchers, therefore, we have prepared some dry goods hampers for anyone who requires food before the vouchers are issued by EdenRed (we are expecting delays of approximately 4 days following us ordering them so they may not be available until after the weekend initially as we have been given Tuesday as our allotted slot for ordering).

The contents of the hamper will vary depending on demand. We will still be able to offer a pick up from the Oasis Hub Nunsthorpe but unfortunately, we will not be able to offer a delivery. The hampers, to be collected from Wintringham, will be available to collect on Wednesday 20th between 9am and 3pm from the shutters at the back of the Academy. Hampers collected from Nunsthorpe HUB will be informed when they are available.

**If you would like to order a hamper then please complete the form [HERE](#) by 9am Tuesday 19<sup>th</sup>.**

If you have any questions or queries please email [oaw.admin@oasiswintringham.org](mailto:oaw.admin@oasiswintringham.org)

Please be assured that we are doing all we can to get the voucher to you as quickly as possible but sadly, the system will be busy and it will be out of our hands.
