

DSC/KHS

Dear Parent/Guardian,

Thank you for informing us that your child needs to self-isolate. On the first day of absence please use this area of the website to support home learning:

<https://www.oasisacademywintringham.org/curriculum/students-working-from-home>

Your child's teachers will be setting work for them via Microsoft Teams using the class teams they have access to. They will need to follow their normal timetable and complete all of the activities set using their iPad. If your child has any issues with the work and needs to contact the teacher, please ask your child to email them using their Academy email address.

If you have any other issues please contact the Academy on 01472 871811.

Take care and we look forward to seeing your child when they return.

Yours sincerely,

*D Scott*

Mr D Scott
