

Friday 15th January 2021

Dear Parents/Carers,

Thank you, once again, for your continued support as we continue to build our online school. We can't tell you how much it means to have received such lovely comments and feedback via our social media and email. It really does make such a huge difference to our staff and spurs them on to continue working as hard as they can to support our students, providing the best possible education we can during the national lockdown.

We think that our live lesson set up is now running really smoothly – apart from the occasional technical glitch either at your end or ours, inevitable in this situation! – and we have been so impressed with how our students have participated and the volume of work they are producing and sharing with staff. As we anticipated, the recorded lessons proved a little more tricky and so we have revised this approach and this will come into effect from Monday.

Our system will be as follows:

Live Lessons:

Students will continue to participate in 3 live lessons per day, at the times we have established (see the end of the letter). They may notice some changes to groupings because we have condensed some classes to make sure we can provide technical and learning support during the lessons and to ensure we can register students correctly. Please ensure that they take part on their iPad whenever possible and if they do have to use any other device please ensure that their camera is switched off. This is a safeguarding consideration so that they and other children in the class have their privacy protected.

Recorded Lessons:

Each year group will be provided with two additional lessons per day which are recorded or include lesson resources for students to complete work without the supervision of a teacher. This is to help us staff our rota onsite and to ensure that we can continue to offer the volume of live lessons we are. Each year group will have their timetable shared in their Year Team today so that each year knows which additional lessons they should be completing each day and can locate the work through their central Teams area. I have also included the timetable for each year below for your reference. Staff will help them by messaging in the Team **but they will not receive a meeting invite for this lesson because it is not live.**

Believe, Achieve, Succeed

Oasis Academy Wintringham is sponsored by Oasis Community Learning
www.oasiscommunitylearning.org - part of Oasis UK.

Oasis Community Learning is an exempt charity under the terms of the Charities Act 1993 and 2006.

Oasis Community Learning is a Company Limited by Guarantee registered in England & Wales No. 5398529.

Registered Office: 75 Westminster Bridge Road, London, SE1 7HS.

We want you to have some flexibility to your day and to ensure students can take screen breaks so all we ask is that these lessons are completed at some point on the day they are set. They do not have to stick to particular time slots for these lessons.

Assembly:

We will continue to share a recorded assembly to the Year Team for each year group so that your child can watch this and reflect on the issues/topics shared. During these uncertain times, we think this is a key means of offering additional support. Please encourage your child to complete the Microsoft Form which accompanies this so that we know they have completed it. We will also be providing a Spiritual Moral Social Cultural (SMSC) focused lesson each week and storing it in this area to support with the wider curriculum.

Wellbeing:

We will continue to deliver Sport through our OAW Sport YouTube channel as well as the timetabled slots we have now added <https://www.youtube.com/channel/UCqRK7LJ9NLG2KgP9YxVMauA> and students can find a range of appropriate activities to support their wellbeing.

We are also trialling new approaches to registration this week and will be registering children at the end of their live lesson so that we can check that we have accurate registers and that they have remained for the whole session. This will mean we can support students who are having connectivity issues and may drop in/out of lessons. Please don't worry if this happens because all lessons are recorded and can be accessed by the student after the lesson has concluded.

As part of our development of the Horizons Project we continue to look at innovative and exciting ways for students to record their work too – we know that they are sending lots of screenshots at the moment and this is something we are keen to develop. We will be in touch with details of our plans in this area once we have finalised them.

Many thanks, once again, for your continued support. We hope that next week will feel more settled for students and staff now that we have a fixed timetable in place and have refined things based on your feedback. If you have any issues or would like to offer any feedback please feel free to do so via our social media or email oaw.admin@oasiswintringham.org

Yours sincerely,

Rachel Revell
Associate Principal
Oasis Academy Wintringham

A reminder of times for students attending onsite and online learning times for those at home:
All students need to wear full uniform, bring their iPad and earphones.

8.30am arrival onsite via the purple gate and provision of breakfast (bagels)

Lesson 1: 8.45am-9.45am (Y7-9 start their online lessons)

Lesson 2: 10.00am-11.00am (Y10/11 start their online lessons)

Lesson 3: 11.15am-12.15pm (Y7-9 end their online lessons)

Lesson 4: 12.30pm-13.30pm (Y10-11 end their online lessons)

Lunch Y7-9: 12.15pm-12.45pm

Lunch Y10-11: 13.30pm-14.00pm

There are 15 minute breaks between all sessions and students will all leave site at 3pm. Once online learning has finished/before this begins students will complete their recorded lessons.
