

18th March 2021

Dear Parents/Carers

We are coming to the end of the Academy covid testing and moving on to the home testing phase of the Government initiative.

Students will be taking home their home testing kits this week if you have requested them. They will bring home two kits with three tests in each. This will cover the weeks commencing 22nd, 29th of March and 5th April. We will distribute another kit in the last week of term to cover the end of the Easter holidays and the first week back in the Academy.

Students with kits should test twice weekly, preferably on Sunday and Wednesday nights. All tests must be recorded on the Government portal as outlined in the information booklet contained in the kit. If you have a positive test you will need to book an additional PCR test and inform the Academy immediately. Your child, along with the rest of your house must isolate immediately.

If you have not requested a home test kit for your child but would like to do so, then please email oaw.admin@oasiswintringham.org. If you require test kits for your wider family then please use this link <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>, we can only provide tests for Academy students.

Yours sincerely

Andrew Robinson
Academy Leadership Team
