

ARO/MHA

11 June 2021

Dear Parent/Guardian

As you are aware, due to the pandemic, it has not been possible to go ahead with our usual transition programme. We understand that the transition between primary and secondary school is a big step and some students feel incredibly anxious about this. Therefore, we feel that it would benefit all students to visit and familiarise themselves with the Academy prior to them starting on the 2<sup>nd</sup> September to ensure that they are supported as best that they can be. **It is for this reason we will be holding a Familiarisation Day on Tuesday 31st August.**

More details will follow closer to the time but this date will allow the students to visit the Academy, in full uniform, and explore the building with no other year groups present. Students will be given their timetables and given an extensive tour of the building.

We are also running Summer Sessions for Year 6 students. **These days will run from 9:30am until 2:00pm and will be from Tuesday 27<sup>th</sup>- Friday 30th July.**

The Summer sessions will give the students an opportunity to partake in fun activities whilst making friends and meeting some of the Academy staff. So far, we have planned the Rocket Challenge, Bird box making and a multi sports day. All students attending will receive a book as part of the summer reading programme, they will be provided with breakfast and lunch on all days and those that attend all 4 days will receive a zipable PE jacket worth £35.

Please use the link below to confirm your child will be attending the Summer Sessions and the familiarisation day. The deadline for completing this is Monday 21<sup>st</sup> June 2021.

If you have any questions or queries regarding the Summer Sessions or the Familiarisation Day please contact the Academy.

Yours sincerely

Andi Robinson  
Director of Learning Technology
