13th July 2021

Dear Students & Families,

I am writing with details of the Results Days in August, how you can collect your results and what you can do next if you are concerned about any of your grades.

Results Days will take place nationally on 12th August for Year 11. At the academy, the arrangements for you to collect your results will be shared with you nearer the time.

Please note that we are monitoring both local infection rates and both local and national Covid-19 restrictions before we make any decisions.

As you are aware, with exams cancelled this summer a 'Teacher Assessed Grade' process was applied in place of examinations. This does not mean that your teachers were able to decide your grades in isolation but had to follow a detailed grading process which was then moderated both at the academy and by the exam boards themselves. I remind you that these grades were based on a number of different assessments in each subject and had to be graded on your actual achievement in these assessments, rather than the grade you might have got had the pandemic not happened. There were a number of ways to make this as fair as possible to all students and individuals and our Centre Assessment Policy is still available on the website for you to refer to should you need to.

In a normal year, a student can apply for their examination papers to be re-marked if they believe they have not received the correct or fair grade. This year there is a national appeals process to follow if you do not believe your 'Teacher Assessed Grade' fairly reflects your achievements.

Should you be concerned about any of your grades, we ask that you discuss your concerns with senior leaders at the academy who will be available on Results Day. Should you wish to discuss concerns after this, please contact us by emailing oaw.admin@oasiswintringham.org We hope that we will be able to resolve your concern and explain more how the grading process was conducted.

Should you remain concerned, you can then access the OCL Appeals Process by emailing appeals@oasisuk.org who will supply you with the form to make an appeal. You must first appeal to the academy and then the academy can appeal to an exam board on your behalf. Exam boards will not accept appeals directly from students or their family members, but OCL and your academy will support you fully throughout this process.

Oasis Community Learning is a Company Limited by Guarantee registered in England & Wales No. 5398520.
Registered Office: 75 Westminster Bridge Road, London, SE1 7HS.

There are strict deadlines applied by the exam boards which mean that any appeals which affect your progression to Further Education must be received by 10th September. Please note that exam boards have been asked to prioritise appeals from students whose higher education places are at risk and so there may be a delay in responses to appeals from other students. In all cases, the academy will process appeals as quickly as possible, especially where they impact your progression to further study, training or employment.

I wish you a pleasant summer and hope to see many of you in person to celebrate your achievements on Results Day.

Yours sincerely

A handwritten signature in black ink that reads 'H Stennett'.
