

6th January 2022

Dear Parent/Carer

COVID-19 Vaccination – Online Consent Form

The School Nursing Service are returning to the Academy to offer children aged 12-15 years their 1st or 2nd dose of COVID-19 vaccination. A session will take place at Oasis Academy Wintringham towards the end of January.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population. It is therefore critical to ensure all students receive their 1st and 2nd dose.

To consent to your child receiving the 1st or 2nd dose, click or search the link below (we will not vaccinate any children on the day without your consent)

You must consent again even if you consented for your child to receive the 1st dose previously

www.nelincs.gov.uk/covidvaccine2

YOU NEED TO COMPLETE THIS BY 14th JANUARY FOR YOUR CHILD TO BE VACCINATED IN SCHOOL

If your child misses the vaccine on the day and you have consented the team will return to catch up where possible.

If you have any queries, email the service on schoolnursingadvice@nelincs.gov.uk. The School Nursing Service are contractually responsible for the delivery of this programme, **therefore please DO NOT direct any concerns to the Academy**– come direct to the service so we can help you.

Yours sincerely

Karen Goy – Head of Service

Please note:

- If your child has tested positive within the last 12 weeks (91 days), before the date of vaccination, they will not be eligible on the day.
- Children are only eligible for their 2nd dose 12 weeks (91 days) after their first dose – we will check this before administering a vaccine to your child.
- You can also take your child to a community drop-in session if you prefer. This website is regularly updated with dates of clinics available www.northeastlincolnshireccg.nhs.uk/covid-19/vaccineclinics.
- You can also book via the national covid vaccine booking system.
