Dear Parent/Guardian

End of Year Exams

As we approach the end of the academic year, we will be focusing on end of year exams for all of our students, and these will begin very soon. Students in Years 7-9 will complete each of their exams within their classroom and these will be on all of the topics that they have covered this year within each subject. Your child's teachers will inform them when their exams are; the assessments are designed to last for the duration of one lesson for each subject.

The results from these assessments will inform teaching staff of students' strengths, as well as knowledge gaps and weaknesses and allow them to prepare for next year. They will also help us ensure that your child is in the correct set for each subject.

It is important that your child attends school during this time to give them the best chance of doing well and being prepared for the next academic year. Please speak with your child about these exams and contact the Academy if there are any issues.

If you have any questions about the end of year exams, then please contact your child's Head of Year/Pastoral Manager in the first instance.

Yours sincerely

Andrew Robinson
Director of Learning Technology
