Dear Parent/Guardian

From September we will be using BROMCOM MCAS (My Child At School) as our parent payment portal. This will replace ParentPay who we currently use. Any remaining monies on a students ParentPay account will be transferred to MCAS over the Summer break.

More details regarding payment will come out before September but we would like everyone to be familiar with the MCAS app before that happens. MCAS allows you to see you child's attendance and behaviour as well as their school reports when they are released. You can also use MCAS to update your contact information and GDPR consents.

From September, MCAS will also be our main communication system. Messages from the Academy will come as announcements from MCAS rather than text messages so you will need to make sure that notifications are turned on for the app on your phone.

MCAS is available via any web browser on [www.mychildatschool.com](http://www.mychildatschool.com) or you can download it from your phone/tablets App Store.

You have previously been notified of your MCAS log-in details. If you have forgotten these, please email [oaw.admin@oasiswintringham.org](mailto:oaw.admin@oasiswintringham.org) and we will be happy to send these to you.

More information on can be found on the Academy Website

Yours sincerely
