Dear Parent or Guardian,

In response to Natasha's Law we are asking parents to update the information we hold on children's food allergies or intolerances.

Food allergies, intolerances and other dietary-related medical conditions are a growing concern for Academies. Children who are affected can suffer a severe or even fatal reaction if they eat or come into contact with food they are allergic to.

If your child has any allergies, intolerances or other dietary-related medical conditions, please fill in the form located below, giving as much detail as possible. If your child has NO dietary concerns, there is no need for you to complete this form.

[https://forms.office.com/r/YU0wuiP\\_HrM](https://forms.office.com/r/YU0wuiP_HrM)

Please do not use the form to describe your child's food likes and dislikes.

**Please complete the form by Tuesday 19<sup>th</sup> October.**

Once we have this information, we will share it with our staff and Sodexo, our catering provider.

If your child's condition changes at any time, please inform the Academy immediately.

If you've any questions or queries, please contact the Academy on 01472 871811.

Yours sincerely
