Dear Parent/Guardian

I am writing to invite you to our virtual Year 8 Parents' Evening, which is being held on Wednesday 29th June 2022, between 4.00pm and 7.00pm. This is an opportunity for you to meet with your child's subject teachers, albeit virtually.

Our parents' evenings are now held through an online service called 'Schoolcloud' to reduce the spread of infection from the covid virus. Booking and managing appointments is very intuitive as are the video meetings with teachers on the evening itself. Parents/carers will be seen strictly in appointment order and are limited to 5-minute slots, after which the platform will automatically end the appointment. If there is a need for a longer conversation, then a follow up appointment should be made at another time. Appointments are made on a first-come first-served basis.

Appointment bookings are now live and can be made now via the link below. Appointment bookings will close at 3pm on Wednesday 29th June 2022.

Please click <https://OAW.schoolcloud.co.uk> to set up your appointment.

A guide to video appointments can be found by clicking the link below, which we advise you to view prior to the evening, as it provides advice on how to secure the best experience from the platform. Of particular importance is to allow your device access to a microphone.

It is important for you to log into the SchoolCloud platform in advance of your appointment time, so that you are not late to the meeting. The system is automatic and will cut you off at the end of your 5-minute slot with each teacher.
