Dear Parent/Guardian

Year 7

As you will probably be aware, students who are currently in Year 7 did not get the opportunity to sit the KS2 SAT examinations at the end of last year. As a result, students are currently being taught in lessons broadly based on their tutor groups. Recently, our Year 7 students have been given a range of baseline assessments, including both English and Maths assessments.

We just wanted to take the opportunity to inform you that, over the next couple of weeks, subjects will start to use this data to reset the current Year 7 students to enable us to better support their learning in individual subjects. This will happen at different times in different subjects (depending upon curriculum rotations) and eventually most subjects will experience set changes. This will then be regularly reviewed within each subject.

We would also like to let you know about our upcoming settling evening for our Year 7 students and their parents/carers, which is currently planned to take place on Wednesday 20th October, 2021. More information about this event will be shared nearer to the time.

Yours sincerely

V. Dowson
