

26 April 2023

Dear Parent/Carer,

I am writing to invite you to attend your child's Year 9 Advice & Guidance Evening, regarding option subject choices, for study in Years 10 & 11. The evening will be on **Thursday 11th May 2023**.

This will take place in the main Academy Hall & Dining Agora from **6.00pm until 7.30pm**, and will include a presentation about the Options process and the opportunity to discuss KS4 courses with subject staff. Options brochures showing our KS4 offering will also be distributed.

All students in Year 9 will be placed into learning pathways from which they will choose their options. The objective of the process is to ensure that all students are offered a broad and balanced range of curriculum choices within the constraints of the Academy's curriculum and resources. Your child will receive support and guidance from the Academy about the options process.

This is a very important stage in your child's education, and your understanding of the process will prove valuable in assisting and advising your child to make the right choices. Therefore, your attendance with your child is essential.

During the evening, we have arranged for some post-16 providers to attend the Academy. This will give both parents and students a chance to find out about the range of diverse pathways available after Key Stage 4. This will be a great opportunity to liaise directly with post-16 providers and employers to aid any decision making.

We look forward to welcoming you to the Academy on Thursday 11th May 2023. To enable us to monitor who is in the building, please ensure you sign in at reception on your arrival.
