Dear Parents and Carers,

Firstly, I wanted to say thank you for choosing Oasis Academy Wintringham as your child's next stage of their education and say how excited I am about them joining in September.

It is with immense pride and genuine excitement that I write to you as the newly appointed Principal of Oasis Academy Wintringham. It is an honour to continue serving a community I know so well—a community defined by its resilience, compassion, and belief in the potential of every young person.

Having worked closely with staff, students, and families during my time as Senior Vice Principal, I have seen first-hand the incredible journey this Academy has taken. Our progress has been shaped by hardworking colleagues, committed families, and students whose talents and character shine through every day. I want to acknowledge and thank everyone who has played a part in shaping Wintringham into the Academy it is today. Your dedication provides the firm foundations on which we will continue to grow.

As we look ahead, my vision for Oasis Academy Wintringham is rooted in high ambition and deep optimism. We will continue to raise expectations, widen opportunities, and create an environment where every young person feels safe, supported, and inspired to achieve their very best. Central to this vision is our Academy ethos—a set of values that define who we are and who we aspire to become:

**Perseverance** – encouraging every member of our community to be resilient, determined, and ready to tackle challenges with courage and purpose.

**Relationships** – building strong, trusting connections between students, staff, families, and our wider community.

**Inclusion** – ensuring every individual feels valued, heard, and able to thrive, regardless of their starting point or background.

**Diversity** – celebrating our differences, recognising the richness they bring, and promoting a culture where everyone is welcomed and respected.

**Everlasting Hope** – believing wholeheartedly in the potential of each young person and nurturing the confidence that brighter futures are always within reach.

These values will guide every decision we make and shape the culture we continue to build together.
